

James Thomas Edmondson-Jones

The Old Chapel
Main Street
Grasby, Lincolnshire
DN38 6AH
07592533754

A graduate of Hull University with a BSc (Hons) in Computer Science. Experienced with learning and applying new skills, presenting information in a formal manner and working to set deadlines.

Employment History:

Deliveroo Rider (Hull Area)

January 2017 – September 2017

Salary: £5760 per annum pro rata

Key roles and responsibilities: Duties including collecting orders from specified restaurants, finding a safe and quick cycling route to the customer, cycling that route then finding the correct house or office and delivering the order.

Reason for leaving: Moved out of area

Research Assistant

September 2014 – July 2015

Sheffield Hallam University
Howard Street
Sheffield
South Yorkshire
S1 1WB

Salary: £19,500 per annum pro rata

Key roles and responsibilities: Duties included the daily preparation of the metabolic kitchen and ensuring the sensory laboratory was prepared ready for the commencement of the research study. Delivering inductions to research participants and ensuring the completion of Visual Analogue Scales and Profile of Mood State (POMS) questionnaires. I also designed a database for the collection and storage of research data

Reason for leaving: Fixed term contract and move to Hull

Library/IT Assistant

January 2012 – September 2014

Caistor Arts and Heritage Centre
28 Plough Hill
Caistor
Lincolnshire
LN7 6LZ

Salary: Volunteer

Key roles and responsibilities: Duties included supervising the library as the only member of staff during the early evening period. The cataloguing of returned books using the library systems. Assisting members of the public in using the computer suite, tailoring my support and training based on the individual requirements of the customer. Dealing with requests and queries on a range of technical and IT related issues.

Reason for leaving: revision for A levels
